

Substitute School Teachers: Seeking certified teachers to add to the school's substitute teacher list- in Elementary Middle School Ed.

Candidates should be employed, subject to program needs. Candidates should enjoy working with children and have requisite skills for managing 16 to 22 students.

If interested, please fax your resume and indicate that you are interested in having your name placed on the school's substitute teacher list.

Finally, successful substitute teachers may be given priority in the event that permanent positions come available.

For information about the school, please visit:
